Sir,

With reference to your No. 4121 (2) R.F. 111-95 dated 2nd November last, requesting certain agricultural information in re the Agricultural Bank proposed to be established at Bidarguppe, Anekal Taluk, I have the honour to state that the value of inam land had not been taken into account. It amounts to Rs 3472 at Rs 32 per acre. This, added to the value of Government lands aggregated Rs 26.608, against which, the liabilities come up to Rs 10430, but the loan of Rs 10,000/- recommended in this Office No. 350 dated 1st October 1896 is not considered sufficient for the establishment of the proposed bank. Both the 2nd General Assistant Commissioner and the Inspector of Agricultural Banks propose an advance of Rs 15,000/-

2. Mr. Changiah Chetty, had a conference with the members and the Amildar and states that the two villages viz:

Amanekere and Attibele previously omitted have been now included within the operations of the Bank. He also advocate the retention of Indalwadi and Timmasandra although they are 10 miles from Biderguppé. They would be inspected by the Directors living in Bannahalli and Chen-dapur. Copy of his report No 50 dated 27th Ultimo is enclosed.

3. The enclosures are resubmitted.

I have the honour to be,

In continuation of this Office No. 31 dated 7th Instant, and with reference to his A No. 1616 dated 8th Idem, has the honor to state that undersigned met by appointment the members and the Amildar at Hebgode and discussed with them the details in regard to the proposed Bank at Bidergoppe.

2. Two villages viz. Amanikere and Attibele omitted by oversight, have now been included in the list. The total number will then be 24 Villages.

3. Indalwadi and Timmasandra are about 10 miles from Bidergoppe and only one member resides in Indalwadi and he has lands in this village as well as in Timmasandra. All the members are of opinion that these villages should not be excluded and that the lands in these villages, to be hypothecated to the Bank, would be inspected by the Directors living in Bamanhalli

and Chandapura close by. Under these circum- 10
stances, these villages may be retained.

4. Sanction may not be obtained for an advance of Rs 15,000/- as already intimated in this Office No. 31 dated 7th Instant.

5th The file of papers received with the docket under reply are returned herewith.

Sir,

In Government Proceedings No. 8311-14 R. F. 114-96 dated the 23rd March 1897, an advance of Rs 15000/ has been sanctioned for the Bidder-guppa Agricultural bank in the Anekal Taluk. I beg to submit herewith copy of letter No 95 dated the 24th September 1897 from the Inspector of the Agricultural banks forwarding an application from the said bank for a further advance of Rs 35,000/. It will be seen therefrom that 74 new members have joined the bank subsequently, and that the advance already sanctioned is insufficient to meet the requirements of all the members.

2. The total area of the lands owned by the new members, on the security of which additional advance is prayed for, is 1902 acres and 11 Guntas. Of which

1233 acres and 30 Guntas form Kayengatta land, and the rest are Government lands. The Amildar's valuation of these lands amounts to Rs 55,232 at Rs 28 per acre of Inam land and Rs 31 per acre of Government land. The liabilities thereon amount to Rs 14,885, as per statement hereto appended.

3. On the security of the above property, the Amildar and the Inspector of the Agricultural banks recommend the grant of a further loan of Rs 28000 to the said bank.

4. Of the 74 new members, 20 persons reside and hold lands in villages other than those already registered, but closely adjoining the latter; and in order to extend its operation, the Bank solicits sanction to insert the names of these 22 new villages in para 3 of its memorandum of association.

5. The Inspector of the Agricultural Banks also recommends in the enclosed letter that the limit of the loan to be granted to a single member may be raised to Rs 2,000, on the security of his lands under class I, as some of the old members

have not yet taken any loan from the Bank, the amounts wanted by them to pay off their debts being more than Rs 1000 in each case. This may, I think be done.

6 As required in Government Proceedings No. 5038-4 / R.F. 274 dated the 2nd December 1895, a statement giving the particulars and the value of the lands held by each of the new members, and the Taluk map shewing the new villages to be benefitted, are herewith submitted.

7. Under the circumstances stated above, I recommend that sanction may be accorded to grant a further sum of Rs 25,000/-

8. The vernacular correspondence bearing on the subject is herewith submitted.

Office of the Inspector of Agricultural Banks in Mysore.

Dated Bangalore 24th September 97

From

The Inspector of Agricultural Banks in Mysore.

To

The Deputy Commissioner Bangalore District.

Sir,

I have the honor to forward an application for a further loan from the Biddurgupte Agricultural Bank received with the Amkal Amildar's Yadi No. 23 of the 19th July last and to state as follow...

2. In their Proceedings No. 8311-14 R.F. 114-96 dated the 23rd March 1897, Government sanctioned for this Bank a loan of Rs 15,000 on the security of landed property valued at Rs 26,608 belonging to the 20 members who started the Bank.

3. 74 new members having joined the Bank and the advance already granted being insufficient to meet their requirements, the Bank applies for a

further loan of Rs 35,000/ The total area of the lands owned by them, on the security of which this advance is prayed for, is 1902 acres 11 guntas, of which 1233 acres 30 guntas form Kayemgutta land and the rest Sirkar The value of this is estimated at Rs. 68,470 by the members which the Amildar reduces to Rs 55,232/- (not Rs. 42,984 entered by mistake in calculation in his report) calculated at Rs 28 per acre of Inam land and Rs 31 per acre of Sirkar land, being the rates fixed as per entries in the Registration Books. The existing encumbrances on these lands amount to Rs 14,885. For details please see the statement appended

4. On the security of the above property, the Amildar recommends the grant of a loan of Rs 28,000 which I am of opinion may safely be advanced.

5. Out of the 74 members mentioned Supra, 20 persons reside and hold lands in villages other than those already registered, but closely adjoining the latter. In view to extend its operations to these 22 new villages marked in red

24

chalk on the accompanying Taluk Map, the Bank solicits the sanction of Government to insert the same in para 3 of its Memorandum of Association.

6. Some of the old members have not yet taken any loans from the Bank, as the debts on their lands amount to more than Rs 1000 each. The Amildar recommends that the limit of the loan to be granted to a single member may therefore be raised to Rs 2000 on the security of his lands under class I. This concession may also be sanctioned as my personal enquiries shew that every one of these members owns property worth between 3 and 5 thousand Rupees.

Proceedings of the Government of Mysore, Financial, dated 18th November 1897.

READ :—

Letter No. 519, dated the 27th October 1897, from the Deputy Commissioner, Bangalore district.

No. 4412-15—R. F. 114-96, DATED, BANGALORE, 18TH NOVEMBER 1897.

ORDER THEREON.—In the above letter, the Deputy Commissioner states that 74 new Members have joined the Agricultural Bank at Bidarguppe in the Anekal taluk, which was sanctioned in Government Proceedings No. 8311-14—R. F. 114-96, dated 23rd March 1897, and that the sum of Rs. 15,000, sanctioned in the said Proceedings is quite insufficient to meet the requirements of all the Members. The total area of the lands owned by the new Members, on the security of which an additional loan of Rs. 35,000 is applied for by them, is 1,902 acres and 11 guntas, of which 1,233 acres and 30 guntas form kayamgutta land, and the rest, Sirkar. The aggregate value of these lands, as calculated by the Amildar at Rs. 28 per acre of inam land and Rs. 31 per acre of Government land, amounts to Rs. 55,232, with an encumbrance of Rs. 14,855. Of the 74 new Members, 20 persons are said to reside and hold lands in villages other than those already registered, *viz.*, 23 villages, excluding Attibele, where a new Bank has been established, and in order to extend its operation the names of 22 new villages are recommended to be inserted in para 3 of the Memorandum of Association.

II. The Deputy Commissioner and the Inspector of Agricultural Banks recommend the grant of a further loan of Rs. 28,000 on the security of the above-said landed property instead of Rs. 35,000 as asked for by the Members.

III. It is proposed to grant loans on the security of lands under Class I up to Rs. 2,000 to each Member, the reason adduced for this modification of the Rule being that the amounts required by some of the Members to pay off their debts are more than Rs. 1,000 in each case.

IV. Under these circumstances, Government are pleased to sanction the above proposals on the same terms as those on which the original loan of Rs. 15,000 was sanctioned in the Government Proceedings above cited.

V. The attention of the Inspector of Agricultural Banks is drawn to the fact that in the statement showing the property and liabilities of the Members submitted by him, the value of the lands as finally settled by the Amildar and agreed to by the Inspector should have been given instead of the rough estimate as framed by the Members themselves.
